## **Bronze Thimble**

PRODUCT CODE: 920

Bronze Rope Thimbles are made from a high strength, noncorrosive, nonsparking nickel-aluminum bronze alloy, ideal for marine applications. This rope thimble was developed primarily for use with nylon, manila, polypropylene, and polyvinyl chloride ropes. Four rings or "keepers" secure the rope from jumping out of the thimble. Eighteen sizes are available in rope diameter sizes 3/8" to 4-3/4".
