

# IFH Chafe-Gard

CHAFE PROTECTION

IFH (Inverted Fire Hose) Chafe-Gard protects your mooring lines from chock wear. The polyester lining allows mooring lines to adjust under tension while the rubberized exterior's high coefficient of friction minimizes movement on the chock. Grommets at each end allow attachment of control lines. Each size comes in standard 8-foot lengths.

PRODUCT CODE: 999601

COLOR: Black

## FEATURES:

- > Economical
- > Durable
- > Adjustable or fixed positioning
