Link-It™ Plus

Product Code: 812

TECHNICAL SPECIFICATIONS

FIBER: High Modulus Polyethylene (HMPE)

SPECIFIC GRAVITY: 0.98 (floats)

CONSTRUCTION: Fabricated 12-strand

COLOR: Blue with orange tag

FEATURES & BENEFITS:

- Quick, easy attachment and detachment
- High strength
- Light weight; less likely to cause injury
- Shorter connection lengths
- Will not corrode or rust

Link-It Plus is a soft shackle made from Samson's *AmSteel®-Blue*, providing an easy to use, lightweight connection method. Replacing steel shackles or other connection types, *Link-It Plus* will not corrode or rust, and has short connection lengths. *Link-It Plus* comes with chafe protection and attached tag with rating information included.
